A MESSAGE FROM THE CHAIRMAN

The Yale Broadcasting Company is an organization on the Yale Campus which is owned and operated by undergraduates. Its three radio stations, WYBC - 640, WYBC-A - 540 (both closed circuit to the Yale Campus) and WYBC-FM - 94.3 are symbols of the interest and industry of its members.

WYBC-FM, which can be heard throughout Southern Connecticut, began broadcasting in March of 1959. Its program content is as diverse as the interests of the listening audience. The *United States Steel Hour* is typical of our classical music programs, which include *Classics by Request*, a nightly, three hour presentation unique in Connecticut. Programs such as *Pardon our Progress*, which has at least one live jazz broadcast per week, and *Afterglow*, with jazz requests until the small hours of the morning, make our attention to progressive jazz unequaled in the area. Since we are a part of Yale, we have the obligation and the opportunity to utilize the intellectual resources of this university in contributing to the cultural lives of both the Yale and New Haven communities. Thus we have *Lectern*, a program presenting a member of the Yale faculty speaking on a topic of current political, economic, scientific, or artistic importance. Also, *The Last Minute*, presents an uncut tape recording of the most significant speech given on the Yale campus during the week. News analysis and commentary are regularly scheduled, and supplemented by special productions as the need arises. One such program scheduled in November is *Election '60*, Connecticut's most complete coverage of the national elections.

In short, our program content is intended for the radio listener who wants more than 'music, news, and sports 24 hours a day.' WYBC-FM brings you varied programming designed not only to entertain but to stimulate.

Philip A. Champlin
Chairman

NATIONAL ELECTION COVERAGE

On November 8th the stations of the Yale Broadcasting Company will carry complete national election coverage on ELECTION '60. WYBC'S news department will have reporters in every section of the country telephoning reports from their party headquarters. This will be accomplished with the help of WYBC alumni. Remote teams, with direct lines to WYBC'S studios in New Haven, will be located at Republican and Democratic party headquarters in New York, Hartford, and New Haven. These teams will broadcast frequent reports of the election results as they come in. WYBC'S announcers will keep you constantly informed of all the political battles throughout the country on a state by state basis. Noted Yale University professors and political experts will be interviewed to provide an analysis of each race.

So for the fastest, most complete and comprehensive radio coverage of the National Elections, listen to ELECTION '60 over WYBC-FM on November 8.
